CONTINUED RELATIONSHIP

WHAT HAPPENS WHEN ONTRAC ENDS?

Mentors can stay in touch with the mentees long after the semester ends. Mentees continue to tap into their mentor as a resource for advice, opportunities, and guidance.

Ways to stay in touch:

- connect on LinkedIn
- check in via email, especially during big dates like college acceptance time or around exams
- send along opportunities like internships, or networking events

Come back again next year! Mentor alumni are always invited back to mentor another OnTrac teen!
